A PLAYFUL WEB EXPERIENCE

Twinkle's Tiny Universe

A playful web experience where a lost little star invites visitors to chat, explore, and play.

START THE JOURNEY ★

MEET TWINKLE ★

Meet Twinkle, the little star who got lost between the clouds

A warm hello opens two gentle ways to explore.

TALK WITH TWINKLE

She collects wishes, naps on moonbeams, and loves to chat.

PLAY WITH STARS

Follow the sparkles, discover small surprises, and make the sky yours.

THE STORY PATH ★

Every lost thing has a way home

1. **The discovery:** Twinkle notices an empty space in the sky.
2. **The journey:** She packs a tiny satchel and follows a trail of glitter.
3. **The homecoming:** the story turns a simple scroll into an emotional arc.

TWINKLE'S FAVORITES ★

Small details make Twinkle feel alive

Every favorite is a tappable moment with a little explanation from Twinkle.

- Honey moon-milk
- Moon naps
- Starlight cupcakes
- Pink cloud bunnies
- Lullabies
- Big dreams

PLAYGROUND MODE ★

Four tiny games turn the page into a playground

Each game gives visitors a small way to collect, create, search, or catch.

PICK A GAME

A little universe made for tapping.

STAR ARCHIVE

Save wishes so the universe won’t forget.

GLOW WORKSHOP

Design a star with size, sparkle, and a name.

SKY MAP

Find 5 hidden stars.

STAR CATCHER

Tap falling stars for 20 seconds.

A SMALL UNIVERSE FOR YOU ★

Come chat, make a wish, and find your way home

Twinkle’s chat offers story prompts, favorite things, jokes, wishes, hugs, and gentle support.
